

TWC Board Meeting 5/4/2016

The Board meeting was held at the backyard Bistro restaurant in Raleigh on May 4, 2016. President Jack Sappenfield called the meeting to order at 7:10 pm. Present were Rusty Jenrette, Stacy Libow, Kevin Perez, Carol Parron, Helen Sanderford and Jack and Lucy Sappenfield.

The President said that a resolution of thanks go to those members who are not Weim owners but who join our Club in order to support us in our activities, many of which accept entries from qualified dogs which are not Weimaraners. The Club greatly appreciates their membership and their efforts to help with Club activities such as hunt , tracking and agility events.

Treasurer Helen Sanderford said that the Club's current balance is \$23,818.22 with \$15,000 of that in a money market fund. She announced that the Club had received a check from the Raleigh Kennel Club for \$215.22 as the procedures from our Specialty Show which was held in the Weimaraner classes of that Club.

Show Chair Stacy Libow said the Club had by far the best turnout for the show since she had been show chair which was for the last several years. Since the Libows are moving back to Florida, President Jack Sappenfield volunteered to be Show Chair for the 2017 Specialty. He would welcome volunteers for the Show Committee. Stacy offered to help with the paperwork for the 2017 show.
