## A Letter from our Club President

Greetings - -

Happy New Year. Hope everyone had a good holiday season and is now ready to get back to work with their Weims!

This month we have a variety of tracking events taking place. We are also in the thick of hunting season, with our second shooting ratings and our hunt tests coming up the first weekend of February. Note that there will be a dinner Saturday night in Eagle Springs – you don't have to have entered the hunt tests to go to the dinner. Check the events section of the website for information.

Also start making plans for the March circuit of shows in Raleigh. We will have a dinner and general meeting Saturday night, March 27, after our specialty show. Stay tuned to the website for more details.

## A Letter from our Rescue President

Greetings from Tarheel Weimaraner Rescue - -

We hope all of you are enjoying the Winter season; and wish all TWC members the best in 2010.

As usual Weimaraner Rescue has been busy but also very successful finding new homes for Weimaraners in need. Somehow we always seem to find the perfect home even in the most difficult situations. Perhaps the reason is that, even during these tough economic times, people are eager to help the less fortunate. And for that, we are so very thankful!

TWR held two awesome fund raisers in October. Our second annual Weim and Cheese event at The Dog Bar in Charlotte was a huge success and so much fun! We had folks come from as far away as VA, with even more people and gray dogs attending this year than last year! Seeing so many happy owners and beloved dogs was truly rewarding for us. Mike Flock outdid himself catering this year with a scrumptious spread enjoyed by all.

## Tarheel Weim Rescue

Co-Chairs: Rosi Adams, Suzan Fontaine and Melissa Siegmund  
Committee: Ann Brade, Christine Flock, Kathy Page, Linda Schilling, Kathi Stringer

### **Letter from Rosi continued:**

Two weeks later we held a Rescue fun day and fun hunt in Jackson Springs. This was a "first" for us and took much planning! We weren't sure what to expect and worried a lot that people wouldn't want to make the long drive "just to play". Thankfully we didn't need to worry at all as we had a great turn out. Dogs and owners alike had a blast, and it was incredible seeing formerly unwanted dogs discovering their true hunting instincts. An added highlight was an Emergency Veterinary talk held by Dr. Rita McGinnis. (Dr. McGinnis' Rescue girl Layla was the demo dog and did an outstanding job.) It was incredibly informative, and all of us walked away more knowledgeable about how to treat our dogs in case of an emergency. Everybody was asking when they could come again...so we are planning a repeat event in the near future. Stay tuned....

Thank you, Tarheel Weimaraner Club, for your kind donation of \$200.00. This money helped purchase food and essentials for both events. As always, your support means so much!! Please visit our [FaceBook Page](#) and check out the photos for both events!! (Become a fan, too, while you are there!!)

Please check our website [www.tarheelweimrescue.org](http://www.tarheelweimrescue.org) and see our newest rescue "boy" Gabe - his is a horrible abuse case - the photos will make you cry. Gabe is now in foster care with the Fontaine family and slowly gaining weight and getting ready to become someone's beloved companion.

Of course, a huge thank you to all who have supported our mission in so many ways. You truly have made a difference

## Rescue Report:

The Rescue Team is encouraged by some of the great applications we've received lately. In November, we had approximately 13-15 dogs on the website with several more entering into the program and others on their way to forever homes. We are pleased to report that in December/January, we have been blessed with many great applications and our placement officers have worked very hard to place many, many dogs. At the present time, we have 4-5 dogs on the website and our intake has slowed bit.

We have one success story that warms all of our hearts! **Danny Boy** was adopted by the Aruscavage family approximately 10 months ago. He's a sweet and very handsome young 19 mo old Weim whose family decided to bring him to the first Rescue Fun Hunt held at the Adams' farm in Jackson Springs. It was a day to introduce our Rescue Weims to all of the fun things that they were bred to do and Danny Boy was ready to give it a shot! His first time in the bird field, he proved to be an amazing hunter. He found a quail, pointed and waited for his owner to flush the bird, then ran like the wind trying to catch the bird. He came back from the woods with the live bird in his mouth and dropped it at his owner's feet. Two weeks later, Danny Boy attended the TWC Learn to Hunt Day and he again proved his ability to hunt. Three short weeks after seeing his first bird, Danny Boy earned his first two legs of Junior Hunter at the Sandhills Pointing Breed Club Hunt Test; he found six quail the first day and scored the highest of all Junior dogs. On Sunday he came back for his second leg of Junior Hunter.

These are the stories that make our jobs so rewarding and help us during those times that our hearts break for these sweet, defenseless creatures. Thank you all for your continued support ! Please check our website for updates on our newest addition, Gabe!

## November 1 VST Test

The Club's 3rd VST Test was held in Pinehurst, NC at the Sandhills Community College on Sunday, 11/1/09. In a VST test, dogs follow a 3 to 5 hour old track near buildings and over variable ground cover like concrete, asphalt, pine needles, mulch, and grass. The dogs also have to find and indicate the 4 articles (plastic, fabric, metal, and plastic) that were dropped when the track was laid. Since this is a public campus, the tracks are made even harder by the fact that there are people and dogs walking on the tracks, both before they are laid and after. For example, on Saturday, there were many kids and parents playing soccer on one portion of a track.

Our test is Weimaraner Preference, and we had a Weim, a Lab, an Australian Shepherd, and a Pointer entered this year. Unfortunately, no one passed. Hopefully, we will have some passes next time (March 7, 2010). This VST test is only 1 of 2 in the State of North Carolina. Since VST tests can be hard to get into, our Club feels that it is important to give preference to Weimaraners.

Thanks to everyone that helped put on this test. Our judges were Ed Presnall and Mary Thompson, our apprentice judge was Michele Gillette, the secretary was Carol Parron, and the tracklayers were Melissa VanMastrigt, Mary Ann Hall, Gretchen Stephenson, and Michele Gillette. It was a fun but tiring weekend, as usual. Plan to come and watch or help next time!

- Two 3 month old pups:** Betta Breuhaus has one show/performance male and one pet female available from her litter born October 20, 2009 from **Ch QuikSilvr Bet On Tess JH NSD NRD V "Tess"** (OFA hips good, PennHip 0.21, OFA thyroid normal, CERF normal, bred to **Ch Smokey Topaz Grey Hawk, CD RN SH V "Riley"** (OFA hips good, PennHip 0.32/0.29).

**Max – 8wks**

**Max – 3mos Jan 22, 2009**

**Red Girl** – we call her **"Bug"** (as in "Cute as a ..."). Born with a mild cleft palate, she needed some special help when she was born. The remaining small defect in her palate could be fixed surgically when she is older, but it is not necessary since she can eat and drink just fine the way she is. She is very determined and will make someone a great pet and/or hunting companion.

Both puppies have great temperaments and are birdy. More pictures of these pups and the litter can be seen on Facebook: <http://www.facebook.com/album.php?aid=2031894&id=1193176052&l=c5a79987ec> The male is Green Collar, the female is Red Collar. A local pet/performance home that would allow the male to be shown would also be considered. Contact Betta at (919) 362-1154 or [quiksilvr@bellsouth.net](mailto:quiksilvr@bellsouth.net).

## Motel 6 Gives AKC Discount

AMERICAN KENNEL CLUB AND MOTEL 6 OFFER COST-SAVING DISCOUNTS TO AKC REGISTERED DOG OWNERS

Just a reminder – Motel 6 gives a 10% discount when you are staying there for an AKC event.

To reserve a room and activate the discount, all AKC registrants can log on to [www.motel6.com](http://www.motel6.com) and enter access code CP542764 for Motel 6 or visit [www.staystudio6.com](http://www.staystudio6.com) and enter the access code CP542765 for Studio 6 reservations.

"We are pleased to work with Motel 6 to offer AKC registered dog owners discounts during these tough economic times," said Dennis Sprung, President/CEO, AKC. "Last year alone, the AKC sanctioned more than 20,000 events that drew more than three million entries. These added savings will help AKC registrants find a comfortable place to rest with their dogs on their way to and from competitive events or while they are traveling on vacation."

"The AKC is the premiere organization that oversees the sport of purebred dogs in the United States," said Olivier Poirot, CEO for Accor North America, Motel 6 and Studio 6. "Motel 6 has been pet friendly since 1962, and we're happy to offer AKC registered dogs and their owners even more savings on our more than 1,000 properties across the United States and Canada."

Additional information on this program can be found online at [http://www.akc.org/motel6\\_studio6/](http://www.akc.org/motel6_studio6/).
