## A Letter from our Club President

Our club and club members were busy this period, as always. See reports on our tracking seminar and retrieving ratings in this newsletter.

Our club members also made a good showing at the WCA National Specialty in Georgia in April. Members participated in conformation, retrieving ratings, obedience, and agility.

Be sure to come enjoy the pig pickin' the end of June.

**Betta Breuhaus**

## A Letter from our Rescue President

Tarheel Weimaraner Rescue is busy as always. Currently our biggest concern is with numerous shelter dogs. Since Tennessee Weimaraner Rescue has ceased to exist we are now being contacted by TN shelters and have taken in several dogs that were facing euthanasia. This has not been an easy task as transportation needs to be arranged, followed by boarding or foster care. We are forever short of foster homes. To avoid sounding like a "broken record" I will not to address this again in this newsletter, but please be aware of this issue!

Thankfully we have a very strong group of dedicated board members and are increasing our volunteer base nicely. Without the tireless work of these caring and kind people we would not be able to help as many unwanted Weimaraners.

Also, a huge thank you goes out to the many TWC club members who included a rescue donation with their membership renewal! Your thoughtfulness is greatly appreciated.

## Tarheel Weim Rescue

### Letter from the TWR President Continued

Please mark your calendar for the TWC pig-picking as TWR will hold our second annual Amazing Grays Wine tasting event. We are happy to be invited yet again and hope to sell many bottles and cases of our great wine, available both in red and white. Pre-orders are greatly appreciated- this helps us make sure we will have enough wine to sell. Last year we ran out- what a wonderful problem to have!

See you soon,

**Rosi Adams**  
**President Tarheel Weimaraner Rescue**

### TWR License Plate Frame

The cost is \$10. To order, contact Christine at [cmflock@roadrunner.com](mailto:cmflock@roadrunner.com) as they are not on the TWR website yet. OR go to the [www.tarheelweimrescue.org](http://www.tarheelweimrescue.org) website and pay using paypal and just put license plate holder in the notes. The holders are made according to state specs, meaning nothing is covered up on the license plate itself when you use one – they're "legal".

## Rescue Wine!!!

Check it out – your choice of red or white wine, with proceeds to benefit Tarheel Rescue !

Tarheel Weimaraner Rescue is offering our very own, trademarked **Amazing Grays wine**. It will be sold for \$16.00 per bottle and for a discounted price of \$14.00 per bottle if a case of 12 bottles is ordered. The case can also be mixed half red and half white. **All proceeds will go to Tarheel Weimaraner Rescue.**

The wine is available in red and white and usually retails for \$20.00 per bottle. Below is the description of the wine and our beautiful label:

### Sauvignon Blanc

The white is 85% Sauvignon Blanc, the wine maker and I blended in 15% Semillon to add a bit of texture and balance. All of the grapes are from the region of Napa Valley. The white wine has some nice notes of Tropical Fruit with a little Grapefruit, great acidity very crisp and clean. The Semillon adds a bit more body to the Sauvignon Blanc.

### Red Blend

80% Cabernet Sauvignon, 10% Tannat, 10% Petite Syrah (Cabernet was aged in French and American oak barrels). All from Napa Valley Cabernet Sauvignon deep ruby/purple color as well as notes of black currants, blackberry, spice, cedar, and subtle toasty oak. It is medium to full-bodied with fairly soft tannins, and a long elegant finish. The Tannat adds nice color to the wine, and the Petite Syrah gives additional dark fruit with a touch of chocolate.

This wine will obviously make wonderful presents for friends, neighbors, puppy people or yourself.

**Contact Rosi Adams if you would like to buy some of this wine!**

## Intro To Tracking Workshop

TWC and Carolina Australian Shepherd Club held another successful Intro to Tracking workshop by Jack Sappenfield II. The Workshop was held on May 4-5 at Cane Creek Campground outside of Snow Camp, NC.

Jack discussed the tracking rules, and then introduced each dog to tracking. We had a smaller group for this workshop, with only 1 TWC Club member, Larry Edwards, attending.

Thanks to our friend Mary Isenhour-Long and the CASC group for organizing the food and getting us a great location for this workshop.
