A Letter from our Club President

A special thanks to all who represented our club at the AKC Responsible Dog Owners' day on September 19 at the N.C. State Fairgrounds' Jim Holshouser Building. Event participation was not as well-attended as in past years maybe because of the Dog Olympics that was held at the NCSU Vet School, but we had many inquiries and provided breed education to those who visited our booth.

The next club meeting will be November 19th at the Backyard Bistro Restaurant on Trinity Road. Upcoming events include our tracking test on January 24, 2016 at Alton, VA.

A Letter from our Rescue President

The TWR Board of Directors met last month for our annual election of Board members and officers. I'm happy to share that Jennifer Wale and Laura Wulff will be joining the Board. They have both been very active with TWR placement, foster and intake activities and it will be a real pleasure to have them active on the Board. We sadly accepted resignation from Belinda Reynolds. Belinda has been a long time Board member and instrumental in the development of our very successful wine fundraiser. But, have no fear; Belinda will continue to spearhead this program.

Tarheel Weim Rescue

Letter from the TWR President Continued

We thank her for all that she's done for TWR and trust that she won't get too far away from us.

Lastly, Kathy LeCavalier accepted the position of President. Rosi Adams, Linda Schilling and Christine Flock continue in their roles as Vice President, Treasurer and Secretary, respectively. I have accepted the role as Executive Committee Member, which had previously been open. Kathy Page and Rita McGinnis continue as Board members. I've enjoyed the year as President of this wonderful group of compassionate, intelligent and energetic Weim lovers and I look forward to another great year ahead. With this update I will pass the newsletter pen on to Kathy LeCavalier.

Toni Sweetland

Greetings! I am pleased and very much honored to step into the role of President of Tarheel Weimaraner Rescue and hope that I can fill the shoes of past presidents Toni Sweetland and Rosi Adams! I have been a longtime volunteer doing shelter checks, transports and fostering over the past 10 years, and I have also been a Board member for the past several years with the additional duties of Intake Coordinator for Western NC, TN, NE GA, NW SC as well as the Foster Coordinator and also responsible for creating and promoting the many postings of our rescue dogs on Facebook. I have always enjoyed working with this fabulous group of people who give of their time, heart and soul rescuing this magnificent breed!

I live in the mountains of Western NC on a horse farm with a menagerie of animals but my main love and focus is and always has been the Weimaraner. As I write this I currently have my own personal 4 rescued Weims ranging in age from 3 to 15 yrs old and I also have 2 foster Weims, so you can imagine the fun and antics of living with 6 Weims in the home. I wouldn't trade it for the world!

As always, we need more good foster homes and especially with the upcoming holidays which unfortunately seems to be a very busy time in the rescue world. Having to board our rescue dogs is not only very costly for TWR but it is emotionally unhealthy for this people loving breed! Please pass the word on to your family and friends and ask them to consider fostering a Weim in need! It is the hardest job they will ever love!

With the upcoming holidays now is the time to stock up on our wonderful signature "Amazing Gray Wines" for entertaining your guests and also as a wonderful holiday and hostess gift for all of your dog loving friends! This is a great way to support rescue and to help us to cover the many costs involved with saving these dogs.

Another great way to help fund TWR without any cost to you is by using Amazon Smiles when doing your online holiday shopping! Simply log onto smile.amazon.com and select Tarheel Weimaraner Rescue as your charitable organization and a portion of your purchase price will automatically be donated to TWR.

I look forward to another year of helping to rescue and place this amazing breed of dogs into loving forever homes!

Kathy LeCavalier, TWR President

Rescue Report:

For the months of August and September, rescue took in 19 dogs, including three more HW+ dogs. We are happy to report that we placed 12 dogs in their new homes. We have had some fun intakes (puppies) and some very special and rewarding adoptions. Here are some highlights of a few of them.

Dexter was surrendered to TWR in August due to his owner's extremely demanding work travel schedule. He had placed Dexter himself months ago, and when he came home for a couple of days, the person returned Dexter saying he didn't want him anymore. Sadly, Dexter had gained a tremendous amount of weight (weighed in at 132 lbs!), and had bad sores on his legs apparently from spending too much time on concrete. Fortunately Dexter improved while boarded, and has been adopted by a family that intends to run with him once he loses enough weight for it to be safe for him. They are taking his weight reduction seriously and slowly, and building up his stamina by slow walks – and less food. Good luck Dexter!

Georgia and Suede, another duo that came to us together, were adopted together fortunately. Their new Dad reports that Suede is a Daddy's boy, and they are still working with Georgia. Sweet Georgia doesn't seem to know how to have fun, but has finally started wagging her tail. Her new mom describes her demeanor as "someone broke her joy button". This loving and patient family will win her over, and show her what a wonderful life she has. Best wishes Georgia and Suede!

In early August Kathy L. was contacted about three 8 week old puppies which she accepted immediately. Kathy lovingly fostered them, and named them Windy, Stormy, and Rainy. They are happily in their wonderful new homes (all previous adopters), and are scattered in three states. Kathy still misses their puppy breath!

Kaya lives in Massachusetts with her Dad and older brother Blue (FKA General Dwight David Eisenhower – Ike) who was adopted in 2013. She enjoys living on the Cape and following her Dad and big brother everywhere. She is Blue's shadow.

Hakuna was adopted by a family that previously adopted from TWR in 2002 but who had lost their beloved girl. Hakuna lives in Northern Virginia, and was delivered to her new home by the Massachusetts Dad and Stormy – Kaya on the way back North.

Harper was adopted by a lady on the coast of NC that adopted Emma, one of the puppies from our 2006 puppy mill, so she too has an older sister to show her the ropes. "Harper aka Rainy is doing wonderful! She clicked immediately with Emma. As my nephew said when he first met Harper, 'she is a mini Emma!' Harper loves running around outside and finding the biggest sticks she can find. Very quick study. She learned how to sit, shake & lay down within a week. Prefers moist treats over crunchy ones. She has learned not to spit them out because Emma enjoys a crunchy treat and will eat it up very quickly. Still doesn't know what to think of the beach, yet! Harper has been a wonderful addition to my family!"

Sweet Fritz, our 11 year old that had been in foster care for 6 months, went to his new home in September. We are so happy for Fritz and his new family! We have been blessed with people that know how much joy a senior dog can bring to their lives. Fritz's family's words are a beautiful testimonial for adopting an older dog:

"Where do I start!? It took me 3 years to be able to think about adopting another Weim but when I saw Fritz on the rescue site I knew he was 'the one' and that it was time to open my heart again. He is such a wonderful fellow and so laid back. We live in the woods and when we go on our walks he just ambles along sniffing the air and listening to all of

the sounds. He is very obedient and comes when his name is called and can sit when asked. He also is very polite and takes his treats gently from our hands. No barking, no counter surfing, no begging for food when we eat. His only little sneaky action so far has been to find a place on the couch to sleep at night instead of on his doggie bed (which is perfectly fine as our other 2 have chosen the couch instead of their bed as well!!)

When we brought Fritz home he was a little jumpy at all of the sounds in our house (5 people and 2 other dogs) but by the next day you'd have thought he had been here all along. He just fit right in and is a wonderful, loving dog to all who meet him. My dad calls him a perfect gentleman and that suits him to a T.

I want to say a special thank you to his foster mom, Kathy M., for taking such good care of Fritz until he found his forever home. I know she was really attached and I thank her so much for sharing Fritz with our family. We love him very, very much.

All I can say is, thank you Tarheel Weimaraner Rescue for all of the hard work that you do in finding these truly magnificent dogs their forever homes. "

Amazing Grays Meritage Red

Ripe and concentrated, but very silky and refined, with lots of blackberry, with notes of cassis, dark fruit and plum fruit. The long finish has notes of minerality from the terroir with a long finish and very smooth tannins.

Amazing Grays Riesling

This aromatic refreshing wine offers impressions of green apple, ripe fruit and crisp minerals lovely fruit without being overly sweet. The grapes were harvested at an excellent ripeness with lively acidity," says Nebel winemaker Peter Meurer. " This Vintage delivers very intense, fruit-driven and ageworthy wines." And Nebel's Riesling also is extremely versatile with food, pairing perfectly with ceviche, sushi, or spicy Asian cuisine

September 5 Meeting Minutes

The Tarheel Weimaraner Club meeting of Thursday, Sept. 5, 2015 was held at the Backyard Bistro in Raleigh. The meeting, in the absence of President Jack Sappenfield, was called to order by Vice-President Stacy Libow at 7 pm.

Present were members: Betta Breuhaus, Tammi Byers, Rusty Jenrette, Stacy Libow, Carol and Charles Parron, Helen Sanderford, Lucy Sappenfield and Gretchen and Stewart Stephenson; guests: Betsy and Buddy Amos, Amanda Lile, Daniel Martin and Jaclyn Smith.

VICE-PRESIDENT Libow welcomed the members and guests. She thanked all those who worked so hard and for so many hours to make our Agility Trials successful.

SECRETARY Rusty Jenrette reported that she continues to forward correspondence of Board interest to Board members and of general membership interest to the membership. Event correspondence will be forwarded to relevant Committee Chairs.

TREASURER Helen Sanderford reported that the Club balance is currently \$24,030.58. She moved some money from checking to the Money Market but may have to move it back again at Hunt Test time.

The following memberships or newsletter subscriptions lapsed on Sept. 1, 2015: Adkins, Bastolla, Briggs, Briggs, Burns, Hash, Miller, Riggs, Saloom, and Suscavage. To rejoin, these people will have to fill out a membership form, which is found on the Club website, and mail it with a check to Secretary Rusty Jenrette. All of the receipts are not in yet from the Agility Trials but Helen believes that the Club made enough money on them to make continuing these Trials well worth our while. They are our primary fund raiser.

Helen has sent the Club membership list to AKC in their special format.

SHOW COMMITTEE Stacy Libow reported that the March 2016 Specialty is on track. Since the Libows are moving back to Florida, she said that the Club would need a new Show Chair for 2017. She will continue through the March 2016 Specialty. A Veterans Sweepstakes and a non-regular Veterans Class that includes neutered and unneutered Weimaraners are planned.

RATINGS COMMITTEE A new Chair is needed. Gretchen Stephenson volunteered to be Interim Chair.

HUNT TEST COMMITTEE Betta Breuhaus will check dates with other clubs to avoid conflicting dates.

AGILITY COMMITTEE In Chair Jack Sappenfield's absence, Lucy said that the Agility Trials will be held on July 22-24, 2016 at Bon-Clyde Training Center in Sanford, NC. A judge has been contacted and Jack is waiting for confirmation.

TRACKING COMMITTEE Lucy Sappenfield, reporting for Chair Jack, said that the tracking tests will be held in Alton, VA Jan. 17, 2016 with planning on Jan. 16. Four TD tracks will be offered. The judges will be Alan Strauss and Elizabeth Goodbody. Larry Edwards is the Chief Track Layer. Volunteers will be needed.

HOSPITALITY COMMITTEE Chair Lucy Sappenfield announced that the next meeting would be held on Thursday Nov. 19, 2015 at the Backyard Bistro.

OLD BUSINESS The members were reminded that AKC's Responsible Dog Owners Day will be held at the NC State Fairgrounds on Saturday, Sept. 19, 2015 from 10 am to 3 pm. TWC will have an informational booth to educate the public on our breed and on Weimaraner Rescue. It will be staffed by Rusty Jenrette, Stacy Libow, Kathy Page, Jen Wales and Barbara Yates.

NEW BUSINESS The President sent a recommended Nominating Committee to select a slate of officers and board members for the January election.: Jack Sappenfield, Chair, Larry Edwards and Sally Feltner with Gretchen Stephenson as first alternate and Charles Parron as second alternate. Without objection, the Vice-President announced the Club's acceptance of this Committee. A report must be submitted to the Secretary by October 1, 2015. There will be an opportunity at the November meeting for any additional nominations from the members.

The meeting was adjourned at 7:24 pm. A brag session followed with proceeds going to Tarheel Weimaraner Rescue.

Rusty Jenrette, TWC Secretary

September 19 RDO Day

TWC had an educational booth at the AKC's Responsible Dog Owner's Day on Saturday, Sept. 19 at the NC State Fairgrounds. The booth displayed the TWC banner and the Tarheel Weimaraner Rescue banner. A continuous display of Weim photos displaying all the activities our dogs do as well as snaps from their everyday lives. A three section photo display also showed Weims in the field, in obedience trials and in dog shows. Articles were available so visitors could see if a Weimaraner was the best dog for their homes. Staffing the booth to talk with visitors were Rusty Jenrette, Stacy Libow, Lucy Sappenfield, Kathy Page, Jen Wales and Barbara Yates. Kathy and Jen also represented Rescue. Also staffing the booth were the Libows' Gibbs and the Sappenfield' and Libows' Kensi. In between greeting the public, Kensi earned her CGC title. By participation in the RDOD, the Club filled one of AKC's educational event requirements which allows us to put on an AKC licensed Specialty Show.

Whelping Box

The following litters have met the club guidelines, i.e., the sire or dam is owned by an active TWC Family, Associate, or Individual member, and both parents are either OFA or Penn-Hip certified to be free of dysplasia.

CH Hallmar Sumthin Bout a Southern GirlTayla, CD BN NSD RD V aka "Parker"(OFA Good) bred to

CH Hallmar's Directed Verdict, CDX RE MH SDX NRD VX2 FFX-OG, aka "Strider" (OFA Excellent)

Futurity/Maturity nominated litter expected October 11, 2015. Excellent performance prospects are expected from this mating.

The sire, "Strider" owned by Linda C. Garrett, was quite the biddable dog. He finished his CD in three tries with scores of 190 or above, earning him the Front & Finish Excellence Obedience Gold Award ("FFX-OG"). He then went on to finish his CDX in three tries. In 2006 Strider was the #3 Obedience Weim under the WCA's Delaney System and was the #1 Weim under the Front & Finish Novice A & B Obedience Score Rating System. In 2007 he won a Specialty High In Trial with a nice score of 197.5. Strider was also extremely birdy, taking his novice owner/trainer/handler all the way through the Master Hunter level. Strider's littermates, Lili and Portia, were both Futurity winners and littermate Portia is also a CH/MH. Strider is a proven sire whose kids are as sound, beautiful and biddable as their dad.

The dam, "Parker" owned by Janet Boggs, possesses beautiful, sound movement with stunning reach and drive. In the conformation ring she placed 3rd in her Futurity class and defeated Top 10 specials by winning BOB and Group 3 from the open class. She inherited her intense drive from her sire, DCH Ardreem Wolf Von Betelgeuse, JH, SDX, NRD, VX and her dam Ch. GCh QuikSilvr Gotta Be Special, SH SD RD VX aka "Kaylee" (OFA Good) bred to

BISS BIM GCh. Camelot's The Best Of Times II aka "Jethro" (OFA Excellent)

FuturityMaturity nominated litter expected November 22, 2015.

This will be a line breeding on Hudson - CH Camelot's Go For The Gold, BROM FROM. We are hoping this pairing will result in gorgeous puppies with tons of field ability.

Kaylee took 2nd place in her Junior Futurity class, and was Reserve Winners bitch at the 2012 Weimaraner National Specialty show in Belton, Texas. She placed 3rd in her Maturity bitch class and finished her Championship, shown exclusively in Bred By Exhibitor classes, with a 5 point major during the very competitive 2013 Weimaraner National Specialty week in Perry, Georgia (over 40 class bitches). Moved up, she made sequential cuts to the last 7 bitches in BOB at that National. She finished her Grand Championship quickly (3 show circuits), with 7 GCH majors and a few 2pt shows. In just 2 show clusters she accumulated 125 Owner Handled points by going OH BOB, two Group 1's and a Group 2.

From a working standpoint, Kaylee is focused and eager to please. In the bird field, she has an attractive point and likes to retrieve. She is a natural backer. She earned her Novice Retrieving Dog, Novice Shooting Dog, and Junior Hunter titles easily. She earned her Shooting Dog title the end of January, 2015. She earned her Senior Hunter title in 4 straight legs/passes in February and March, 2015, and her Retrieving Dog title June 2015. Kaylee is both fast and quick - she would do well in agility. Eager to please, I think she would/will also do well in obedience/rally. OFA hips good / elbows normal, eyes normal, thyroid normal, CHIC #101808.

Jethro was breeder/owner handled to Top 10 Breed and All Breed for 2 years. Group winning, Best in Maturity and Specialty winning, Jethro has produced very well. OFA hips excellent.
